Mother Nature Dampened Our Two Golf Tournaments.

We held (or tried to!) 2 golf tournaments this Spring and Summer. Our May Tournament was canceled due to 43 degree temperatures and 100% rain. Our golfers received a certificate for a round of golf at a later date along with their dinners and swag bags. Our August Tournament brought a beautiful day. However Hurricane Fred visited 2 days before and flooded the golf course! So our golfers received a refund for their golf along with their dinners and swag bags.

Chalk Your Walk

This was such a fun event! We invited everyone to show their inner artist by chalking their walk or the beautiful new sidewalks on Main Street. The artwork submitted was amazing! There was 5 categories eligible for prizes..

Clock Repair

If you have any information regarding the clock in front of the old municipal building, please pass it along to the Chamber.

The clock only has the correct time twice a day and we'd like to remedy that and also offer bricks and pavers for a donation.

Display Window

When you are in town, please check out our display windows at our office. It is a member benefit to use one of the windows to promote your business for a month. If you are interested in using one, call the office to get on the schedule.

Are you hiring?

We will be happy to put your flyer on our window! You can also add it to our website for 30 days.

Important Business Tip!

Are your business hours posted on your door? How about contact information? We often receive calls asking when businesses are open because they've stopped by and the business was closed and there

A Few Things to Look Forward to...

A beautiful new Community & Visitor Guide will be available soon!! It's in the works and will be arriving as soon as it is published.

We are hoping to return to all our classic events soon. The Covid-19 pandemic certainly put a damper on things! Rest assured we are working very hard to get back to normal!

Stay tuned for a few autumn and holiday events!!
